Columbiettes' Installation of Officers

First Degree Exemplification

From the Grand Knight:

Hello to all Brother Knights and Sister Columbiettes,
Just to give you an update on what we are trying to accomplish at our Council #4851.

The K of C Supreme Council Office of Youth Protection required every Council's committees to go through lots of safe environment training and both the Family and Community Directors to go through a safety background check, so someone is qualified to supervise events where we interact with minors, as Children's Christmas Party, Easter Egg Hunt.

We are glad to announce that we elected all of the committees chairmen (Directors) and we are in a very good position now, and looking forward to the future.

All of this is happening under the new "Faith in Action" program model.

We have selected and will be doing Faith in Action programs, where we would like all who can, to participate - not only to deliver the check. Please expect a phone call/email/text from one of the Directors, in order to participate or help:

PROGRAMS: PGK Eduardo Suazo
COMMUNITY: PGK Horace Summers
FAITH: Jonathan De Wain
FAMILY: John Echevarria
LIFE: DGK Tim Dunn

God bless',
