

FROM THE DESK OF THE GRAND KNIGHT

Being elected Grand Knight is a great honor for me and for my family.

I want to thank all my brother Knights from Officers to individual brothers at Council #4851 for their support, wisdom, and tremendous hard work that have made events like the Fish Fry and many others so successful.

I have learned so much from all of you brothers and it has truly helped to define who I am today.

I'd like to offer an extra special thanks to both our past Grand Knight Bryan Mosher for his leadership and guidance and to his wife Brenda for her support.

I want to give a sincere thank you to the Sister Columbiettes for their hard work and help at the Fish Fry and other Events too. Without their efforts we would not have been fully successful in generating enough money to give to various charities like we are doing now.

Special thanks to all the Home Association officers under the leadership of Edward "Billy" Farquharson and Josh Willette.

Remember, to be a Knight is to be humble and to always be ready to help and serve others that are less fortunate than us.

Thank you to my wife Renee for her love, understanding and support through all my endeavors.

In Unity and Fraternity,
Elias Aslou
Grand Knight
2018-2019
